

MSRP/MSRC

Shield clamps for 10 x 3 mm busbar

FEATURES

- Suitable for cable diameter ranges from 1,5 to 9 mm
- Shield grounding and strain relief functions in a single device
- Snap-in assembly, no need to use tools
- Constant pressure of the clamp on the cable sheath without having to run tests and checks

The MSRP/MSRC shield clamps allow to easily and effectively earthing the cable shielding and guarantee the strain relief function with a cable tie.

The special construction shape allows side-by-side mounting on a 3x10 busbar, allowing significant space savings on the cabinet.

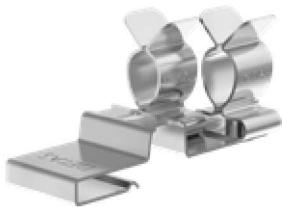

Material: spring steel, zinc plated
